Reparations Trouble

The reported agreement among the United States, Britain and France on German reparations appears to have fallen through. The United States proposal for a temporary halt in German war plant dismantling was approved by France through a misunderstanding. Now France says "the dismantling must continue without halt" except for certain industrial installations not yet formally marked for reparations.

Reparations are being exacted from Germany for two reasons: To replace destroyed Allied war plants and to reduce German war potential. The United States is at odds with Britain and France over the extent to which western Germany should be stripped of industrial equipment to accomplish these ends. The original agreement was quite stringent. Later it was modified. Now the United States wants it modified still further and is meeting opposition.

The reason for the American stand is obvious. Dismantling and transferring factories is a wasteful process. Much of the equipment never gets in production again. The United States is chiefly interested in seeing maximum European production to ease the Marshall plan burden.

The British and the French views are colored not only by a deep-set fear of Germany as a potential foe but also as a peacetime industrial rival. The reparations pose a vexatious question that isn't likely to be settled to the full satisfaction of any of the principals.

Another Palestine Cease-Fire

An uneasy peace again settles over Palestine as Egypt and Israel accept the latest U. N. cease-fire offer. What will come of it is unpredictable unless Dr. Bunche, Count Bernadotte's successor, submits a modified boundary plan, which is unofficially reported under consideration.

The scene of the recent fighting has been the Negev, a desert area south of Jerusalem. In Israeli control it would be irrigated and cultivated. However, in his report to the U. N., Bernadotte recommended that the Negev "should be defined as Arab territory."

If there is a boundary change, it is certain to be opposed by the Arab league. If there isn't, Israeli forces will resume their steady encroachment in the Negev. There is no reason to be optimistic over the latest cease-fire in Palestine.

Our Busy Hospitals

The growth of hospital service is graphically shown in the new directory of the American Hospital association. It shows 18,000,000 patients were admitted last year to the nation's 6,173 hospitals, an increase of almost 100 per cent over 1937. Even from 1946 to 1947, there was a 2,000,000 increase, despite an average increase in patient cost from \$9.39 to \$11.09 per day.

The average length of hospital stays is decreasing. The association attributes this to the tendency of patients to enter hospitals in the earlier stages of illness, assuring quicker recovery.

The increase in hospital business isn't attributable to a decline in the nation's health. Paradoxically, it is just the opposite. The nation's health is better because insurance plans and improved living standards have placed hospitals within the financial reach of thousands who couldn't previously afford them. The outlook is for the totals a decade hence to dwarf those of 1947.

It Will Happen Here

One of the days in the natural course of events a child will announce with shrill excitement that it is snowing. Father will remember that he hasn't had anti-freeze put in the radiator of the automobile, mother will point out with pardonable bitterness that the storm windows haven't been installed, and the street department will quit worrying about leaves and start worrying about icy intersections. Photographers will look for snowscapes, shoe stores will put overshoes on display, and coal dealers will ask the railroads to put tracks on cars of coal that should have been spotted on siding three days ago. Sleds and snow shovels will be taken out of storage, also mittens, stocking caps and bottles of cough syrup. A political placard calling attention to the outstanding qualifications of a defeated candidate will be hidden in the gutter and someone will announce brightly that it is cold unseasonable days until Christmas. It will be winter.

Tobacco Trouble

Some of the economic forces set in motion by the Marshall plan are frightening to contemplate. Example: As a special concession to the British and the British tobacco growers, there was a Marshall plan allocation of \$200,000,000 for tobacco. Much of this tobacco has gone to Britain, which is retaining it under a tax so stiff that a pack of cigarettes costs about 10 cents.

Meanwhile, Greek and Turkish tobacco growers have lost their British market. Their loss is unmitigated in Mediterranean warehouses where Marshall plan funds go to pay the plight of bankrupt Greek and Turkish tobacco growers.

It's enough to make a man the smell to nose his way.

Lovers' Share

The United States has received health insurance. But a report comes that Britain and France refuse to give to the United States the right to share the insurance. The United States has a large number of troops in Europe and they are not getting the same health insurance as the British and French troops.

The Stars Say

For Sunday, Oct. 24

By GENEVIEVE KEMBLE

SUNDAY'S horoscope is a rather discouraging one excepting for the quiet pursuit of sabbath vocations or avocations. Visiting, study, cultural pastimes of spiritual aspirations are in order.

Health and home affairs may be considered. Serious matters are best postponed as the mentality is confused or befuddled, and the emotions and feelings have toward the subtle or erratic, with deceit and complications.

For the Birthday

Those whose birthday it is should plan in a framework of unimportant affairs, since the judgment is definitely under a cloud, inclining to mistakes, false moves and a state of mind and emotions that could entangle in trouble of a sinister and unworthy character. Postpone all serious activities and seek relaxation, health and social uplift on a foundation of truth and sound principle. Beware of allures, traps and schemes in business contacts.

A child born on this day should be early trained and disciplined on a course of integrity, honor and high principle, the trend being toward the "easiest way."

For Monday, Oct. 25

THE astrological forecast is for a static or difficult state of affairs, with much opposition or lack of support from those sources from which perhaps capital, influence and hearty approval is essential in putting over new and important projects. Practical and constructive ideas and well worked-out plans and programs may break down such resistance, winning over the opposition, sound sense and good nature help.

For the Birthday

Those whose birthday it is may have a period ahead in which a point of "going it alone" might concern the energies and motives the longer they have been able to be expected in the way of cooperation from influential parties.

Conflicts and opposition may arise from such making sound preparation on practical plans, well executed and put over with force, initiative and strenuous determination to win out. This requires attack and good nature must continually break the ice and melt opposition forces. Hard work, creative and constructive ideas could have productive influence.

Chaplain and War Hero Plans Talk To Leetonia Post

LEETONIA, Oct. 23—Rev. John E. Duffey, pastor of Our Lady of Lourdes church at New London, department chaplain of the Ohio American Legion, will be guest speaker when members of Joe Williams post, American Legion, meets Monday, Nov. 8.

Rev. Duffey, one of the heroes of World War II, was at Pearl Harbor when attacked as post chaplain. Shortly after, at the request of Gen. Jonathan Wainwright, he was made chaplain of the military forces in northern Luzon. He also has served as commander of his home post, Broome-Wood, No. 292. If enough interest is shown in the approaching address of Fr. Duffey, the post may try to arrange to make the meeting open to the public.

The Joe Williams post, under the command of Leslie N. Morris, has outlined and adopted a 10-point program which will increase the activities of the post and add greatly to the civic benefits of the Legion in Leetonia.

The program as planned includes: 1, follow regular Legion program for the year; 2, have a living memorial honoring all veterans of World wars; 3, promote a Youth Center; 4, back a Boy Scout and a Cub pack; 5, have permanent initiation team; 6, more post activities; 7, two meetings a month—business and social; 8, organize a Junior Drum corps; 9, organize Sons of American Legion; 10, sports program.

Ruth Umberger Is Bride In Church Of Lt. Kirby

The altar was decorated with arrangements of yellow chrysanthemums this morning when Rev. Fr. Richard Gaffney was the celebrant at the 9:30 nuptial high mass uniting in marriage Ruth Umberger, daughter of Mr. and Mrs. Robert Umberger of 641 Superior ave., and Lieut. George Doxen Kirby of Canton.

The single ring service was used after Mr. Umberger escorted his daughter down the aisle to the strains of the traditional wedding music by Kreckel, played by Miss Sarah Colman, church organist, whose prelude recital included "Invocation" (Muers) and "Pans Angelicus" (Frank).

The Mass of the Blessed Virgin was used and Miss Colman sang "Ave Maria" and "Oh Mother I Could Weep for Mirth" for the professional and recessional.

The small but colorful wedding party included the bride's cousin and husband, Lieut. and Mrs. Walter Earley, Pittsburgh, as matron of honor and best man, Frank Schmid and Joseph Deagan of Salem ushered.

The bride wore a two-piece suit in dark brown, complemented by a magnolia colored blouse, a sweet-heart hat fashioned of speckled brown feathers and brown suede accessories. Small brown Cymbidium orchids and yellow roses made her corsage.

Mrs. Earley's forest green suit was augmented with brown. Her feather hat was brown, while her corsage was yellow roses.

For her daughter's wedding, Mrs. Umberger had a grey outfit and a red rose corsage, and Mrs. Margaret Kirby of New York City, mother of the groom, wore blue with her red roses.

Gifts included ties for the ushers and a compact for the matron of honor.

Breakfast Served
After a wedding breakfast at 11:30 for the bridal party and immediate family at the Lape hotel, they received friends and relatives at a reception in the home of the bride's parents on Superior ave.

Candles lighted the buffet refreshment table at which a decorated three-tiered wedding cake was the center of attraction, while fall flowers and linen added to the setting.

Mrs. Frank Schmid of Salem, an aunt of the bride, served the cake. People from Pennsylvania, New York City, Canton, Salem and Massillon signed the guest register.

Black taffeta, with a gold strip and a black topper and her bridal corsage was Mrs. Kirby's going away costume. They will visit her brother and wife, Mr. and Mrs. Robert Umberger, in Bangor Me., and have planned a two-week coast-wise trip before making their home on Woodland ave. ext. in Canton.

The bride graduated from Salem High school and was in the Class of '47 at Mercy hospital where she has since been employed. The lieutenant attended Maryland university for four years prior to entering the service. He has been in the army six years and serves as recruiting officer in Canton.

Royal Schiller, student at Fenn college, Cleveland, is spending the weekend with his parents, Atty and Mrs. Royal Schiller of S. Lincoln ave.

Mrs. Ray Law, Jr., and son, Ray, of Reedy, W. Va., are visiting her parents, Mr. and Mrs. Harry Kelly of Walnut st.

Daughtery-Lozier Vows Exchanged Friday Night

Norma Dene Daughtery of 222 E. 22nd st., the 36th wedding anniversary of Mr. and Mrs. George Lozier of the Goshen rd., as the day of her marriage to their son, George Lozier, Jr.

Rev. David E. Molyneux heard their exchange of vows in the double ring ceremony performed at 8 P. M. Friday evening in the home of the bride and her mother, Mrs. L. H. Daughtery, on N. Lincoln ave.

An improvised altar of palms, fern and lighted tapers in seven-

branch candelabra made an effective setting for the informal wedding witnessed by a small group of relatives and friends. Bouquets of white chrysanthemums and carnations also added to the home attractiveness.

The bride was attractive in a pine green crepe frock with black accessories, complemented with an orchid corsage.

Her only attendant, Mrs. Burt J. Coburn of R. D. Salem, wore smoke grey and a corsage of red roses. A rhinestone necklace, a gift from the bride, added to her costume.

Howard R. Gray of Winona was best man.

Mrs. Daughtery in brown and Mrs. Lozier in black and white, wore talisman rose corsages for their children's wedding.

Reception Follows
A garland of ferns and white carnations encircled the three-tiered wedding cake served at the reception by Mrs. George Peacock, aunt of the bride. Mrs. Howard Gray and Mrs. Paul Bloor presided at the refreshment table laid with lace and lighted by candles.

For a short honeymoon trip through Virginia and further south, the bride will travel in a three-piece suit of brown gabardine, which matches her husband's. Her accessories are blue pink and brown.

Mrs. Lozier, daughter of Mrs. Daughtery and the late L. H. Daughtery, graduated from Greenfield High school and is employed in the office of C. E. Hunt & Son, Inc., while Mr. Lozier followed high school graduation with three years in the Army Air corps. He is associated with the Electric Furnace Company.

The bride was honored at a shower party recently, arranged by Mrs. Ralph Phillips and Mrs. Floyd Haskins, who entertained at the Lozier home on the Goshen rd. Miscellaneous gifts were presented the honoree.

Friendly Neighbors Club Entertained

Rev. Searles will move to Kalamazoo in two weeks.

Democrats Hope To Gain Senate Control

WASHINGTON, Oct. 23—President Truman's closest advisers say he is convinced the Democrats will recapture control of the senate regardless of the outcome of his own race next month.

Talking privately, these men tell newsmen they expect Democratic senatorial candidates to outrun Mr. Truman in some states and to win in a couple he may not carry.

Congressional candidates themselves told correspondents traveling aboard the President's campaign train they felt they had been helped by the chief executive's repeated attacks on the Republican leadership on Capitol hill.

Most Democrats—the President among them—take the view that the party will knock off GOP seats in Oklahoma, Minnesota, West Virginia and Wyoming.

These four would give the Democrats a 49 to 47 margin—provided they did not lose any of the other hotly contested races, such as those in Tennessee, New Mexico and Montana.

Church Can Held In Striving For Peace, Speaker Says

The church has the answer to the present world crisis, according to Dr. Tennyson Guyer of Findlay, guest speaker at the Family Night dinner meeting in the Methodist church. One hundred and eighty attended.

Dr. Guyer, overseer of the Church of God in Ohio, used for his theme "Nothing." He pointed out that the world's attitude toward conditions is that nothing can be done.

Stressing the importance of the home in building a nation, he declared "We need to rediscover the things that are worthwhile."

Mrs. Edward Brudery was general chairman for the event, with members of the Women's Society of Christian Service hostesses.

Mr. and Mrs. R. C. Gibbs and Mr. and Mrs. O. A. Naragon composed the program committee, with Mr. Gibbs presiding.

Rev. George Beebe, pastor, conducted the devotions.

Floyd Craig directed the group singing, with Homer S. Taylor at the piano.

Mrs. Sterling Jackson and Donald Dusenberry offered a violin duet, with Mrs. Dusenberry as the accompanist.

A children's program was in charge of Misses Nellie Naragon and Eleanor McMurray.

Dr. Roland Walker, president of Ohio Wesleyan university, Delaware, will be the speaker at the Family Night program Nov. 16.

Hold Special Services

Rev. Willis Miller, evangelist, and Rev. Sherman Brantingham, song leader, both of Winona, are holding revival meetings at the Quaker Hill Friends church, south of Sebring.

The meetings will continue through Oct. 31.

107-Year-Old Ohio Mill Total Loss From Fire

MOUNT VERNON, Oct. 23—A 107-year-old water tower mill on the bank of the Mohican river at Brinkhaven village, 20 miles east, burned down today.

The four-story structure, operated by the Mohican River Milling Co. in the manufacture of buckwheat and corn cereals, was built in 1841. It was reported to have been the largest of its kind in the state.

No estimate of damage or of the cause was immediately available. Firefighters from Millersburg and Danville kept the mill flames from spreading to the rest of the village.

A passing train crew discovered the fire before daylight today.

U. S. To Sell Some Post-War Aircraft

(By Associated Press)

WASHINGTON, Oct. 23—The United States soon will offer jet fighters and other post-war military planes for sale to at least some American republics, it was learned today.

The planes to be made available are the F-80 Lockheed Shooting Star, F-84 Republic Thunderjet, F-82 North American "Twin" Mustang, and the C-82 Fairchild Pack- et, a troop carrier transport.

Both the state department and the air force will make a formal statement soon.

Release of military aircraft must be approved by the Air Force on two counts (1) whether sale of planes elsewhere will interfere with the production schedule for the Air Force, and (2) whether such sale would compromise security.

Quakers Tied 13-13 As Struthers Completes Photo Finish

Fighting Locals Have Edge Most Of Way, But Pass Ends Victory Hope

One of those perfect pass plays — just like they tell it in the story books — jerked Salem High's Quakers smack away from a sure win Friday night.

The score? It ended 13-13. A. P. (After the Pass), and in doing so took victory away from a scrapping bunch of Quakers, figured as underdogs, after they had out-played Struthers most of the way and had a win just a hair from their hip pockets.

And the ironical thing about the perfect 43 yard pass play is that it was completed beautifully by a pair of subs, Halfback Don Alshouse to End Pat Naples.

Naples, incidentally, made a brilliant catch of the ball on the Salem 18 with just a little more than a minute left and literally stumbled over the goal, completely off balance all 13 yards of the way. He fell into the end zone, practically alone. It caused the tie.

But Salem's game again was great. The Quakers, figured at least seven point underdogs, trailed 6-0 early in the second quarter, only to romp right back to take the lead and then force further ahead 13-6 late in the fourth. Struthers tied it up just before the game ended and nearly got the running score.

The Quakers had offensive power on the ground — plus a terrific defense at times. Four times the

Salem Backs	Totals

Struthers offense petered out in dangerous territory and the running Bernie Skvarka, highly touted back, wasn't anything to write home about.

Undoubtedly the loss of Skvarka early in the third quarter on an injury, was a blow to Struthers, but his replacement, Alshouse, filled the vacancy with talent and figured in the all-important TD pass.

By far the most outstanding man for Struthers was Quarterback Ray Yurick, who ran well but glittered on defense. The spunky quarter was responsible for a good half of Struthers' tackles and was a thorn in Salem's offense from the start. His tackles were sure and hard.

For Salem once again it was Walter "The Bull" Ehrhart who romped best and most. He scored Salem's first TD, which put the Quakers ahead 7-6 in the second quarter, on a 14-yard scamper that will go down as one of his finest.

The young moving mauler actually made the play practically alone after the start of the sweep over his own right tackle and end. He shook off a certain tackler at the line, moved forward to greet and brush aside another and wormed his way across ploughing. He virtually dove across the goal as Yurick attempted to bring him down at about the five yard line.

Besides the vital run, Ehrhart did a creditable job of booting and ran like a fool again to garner 130 yards in a workhorse 24 attempts. He was the iron man all the way and the one counted on to make the big and important gains.

Diminutive Eddie Bozich, although no whitewash as a ground carrier last night, again played brilliantly and was an important cog in the Salem power.

Ray Yeager, playing with an injured shoulder, didn't shine on offense either, but his defensive play was splendid all the way.

The Quaker line was charging hard and held the vaunted Struthers running attack to a figure well below Salem's ground power for the night. The hard-working linemen had no standout last night, the play was generally sharp throughout — a good all-around performance by the line. The offensive blocking on many plays, once again, was fine — much improved over earlier games.

If wouldn't be fair to skip the play of Struthers' Johnnie Skvarka, a fleet footed and unusually shifty runner who gave Salem a lot of trouble. His show, in fact, was better than the heralded Skvarka, who Salem stopped almost cold most of the two quarters plus participated.

The game went something like this:

Salem received the kickoff and couldn't go in the first series. After Ehrhart's 30 yard boot, Struthers, too, had trouble moving, not gaining except on two five yard penalties assessed against the Quakers. Then Yurick had to kick 36 yards to put Salem back on its own 17.

Salem worked off a first down as Ehrhart and Bozich slithered through for 12 between them. Then a penalty, after three downs without the needed 10, brought Ehrhart's good boot back and he had to do it all over. The result was a high, poor kick which gave Struthers the ball on the Salem 47. Things looked bad.

But the Quakers held after Yurick had tossed a 39-yard pass to 100-pound End Serich, good to the Salem 24. Salem took over as Homer and "Liz" Alexander, a good man on defense last night, teamed up to kick Skvarka hard and recover the resulting fumble on the Quaker 20.

The threat was ended only momentarily, however, for Yurick leaped like a tiger on Bozich's fumble in the 38 yard line two plays later, the first play of the second quarter.

With the ball on Salem's 38, it took the Big Red just three plays to take the Skvarka mauler alive around right end. Fullback Tony Clements played away through the center for 7 and a pass to Skvarka was the result. The Skvarka was the cause of the tie.

Barons Resume League Schedule At Home Tonight

(By International News Service) The Cleveland Barons resume their American hockey league home schedule tonight at the Cleveland arena against the New Haven Ramblers.

The Barons, who lost an exhibition game to the National League's Detroit Red Wings last Tuesday and their first league game on home ice to Pittsburgh Thursday, will be seeking their first victory on their home rink.

Roger Bessette, ace goalie who led the Barons into the playoffs last season, will return to the net tonight in place of Johnny Bower. Bryan Hextall, the right winger the Barons obtained from the New York Rangers, went through a vigorous drill yesterday, but Coach Bun Cook said it is unlikely that he will break into the lineup before next weekend.

If the Ramblers, sparked by Emile Francis, new goalie obtained from Chicago of the National league, almost upset the Barons last Sunday but fell short as the Clevelanders won, 6-5.

Four other games are scheduled in the junior loop tonight. Buffalo goes to Hershey; Washington travels to Pittsburgh; Philadelphia meets St. Louis in the Flyers' ice; and Providence journeys to Springfield.

One game was played in the American league last night. Washington defeated Buffalo, 3-1.

(By International News Service) Western teams will be heavily favored over eastern elevens, in both professional football leagues, in games carded for tomorrow.

In the All-America conference, the mighty San Francisco 49'ers and the Champion Browns, both undefeated, will make merry at the expense of the Colts and Yankees, respectively, despite the fact that Baltimore and New York one-two in the eastern division of the junior circuit.

In the National football league the Philadelphia Eagles, eastern leaders, face a probable defeat by the unbeaten Chicago Bears.

However, the second-place Washington Redskins will have to beat a fairly tough Green Bay aggregation to take advantage of this situation.

And the Boston Yanks are scheduled for murder in the afternoon at the hands of the Champion Chicago Cardinals.

The Los Angeles Rams are picked to defeat Detroit, and the New York Giants may surprise Pittsburgh.

In the AAC, Brooklyn should beat the Chicago Rockets, and the Los Angeles Dons may down Buffalo's Bills.

State's Top Five By INS Chalk Up Victories Again

The five top-ranking High School football teams in the state chalked up their sixth straight victories without defeat in last night's play.

The quintet as selected by sports writers and sportscasters in last week's International News Service poll, recorded easy wins. Alliance and Canton McKinley, tied for top position in the INS poll, turned back Akron Central and Steubenville, respectively.

The Aviators won their sixth game by a 20 to 7 margin over the Akron school, while McKinley defeated Steubenville's Big Red, 32 to 7.

Third-ranking Middletown, which last week blasted Steubenville by a 40 to 0 score, duplicated the score last night against Lima Central. Fourth-place Toledo Walke, meanwhile, had an easy time of it against neighboring Woodward, winning, 25 to 6.

The other big gun in Butler county football, Hamilton, served notice it was no pushover. Hamilton avenged its lone defeat of last year by smothering Springfield, 61 to 12. A few minor upsets featured play of other high-ranking elevens.

Columbus West ranked No. 9 after last week's play, was all but eliminated from top consideration by New Philadelphia. The Quakers invaded the state capital and went home with a 31 to 7 upset to their credit.

Mansfield Tigers, meanwhile, fell before the rebounding Massillon Tigers. Defeated last week by Alliance, Massillon took revenge in a 33 to 7 victory over Mansfield.

Newark, undefeated but tied once, won its fifth victory by shutting out Lancaster, 17 to 0, and Martins Ferry blasted neighboring Bellaire, 33 to 0.

In other top games, Kenton won its sixth straight win by defeating Ada, 41 to 14; Carey won its seventh straight, 18 to 0, over Richwood; Chillicothe edged Greenfield, 12 to 12; Athens turned back Logan, 14 to 7; Gallipolis easily defeated Pomeroy, 47 to 6; Fremont Ross won over Tiffin Columbian 34 to 0 and Fostoria turned back Defiance 31 to 7.

Bycyrus outscored neighboring Crestline, 19 to 7; Dover won over Coshocton, 28 to 14; Lorain defeated Sandusky, 20 to 6; East Liverpool outscored Youngstown North, 12 to 6; Akron South turned back Akron East, 28 to 14; and Struthers and Salem engaged in a 13-13 tie.

HEADS FALLING FAST IN BOSTON

Yawkey Determined To Have Winner; Put Out Over Pennant Loos

BOSTON — It's almost a cinch bet Boston Red Sox Owner Tom Yawkey, Vice President Eddie Collins, General Manager Joe Cronin, and Manager Joe McCarthy will be around next season—but don't bet on anyone else except possibly some of the better players.

Yawkey couldn't hide his disappointment over losing the American league pennant, and much of the blame is being passed around to Sox and farm officials.

The shakeup in the Sox organization which began before the club was beaten out in an unprecedented playoff appears likely to continue.

Three members of the organization are gone and the Sox rejecting all questions, indicate the three resigned.

The three disagree and say, in effect, "we didn't jump, we were pushed."

Latest to go is Del Baker, veteran coach and one-time Detroit Tiger manager, who will be replaced by Eizen (Kiki) Cuyler, erstwhile star National league outfielder and more recently a Southern Association manager. Cuyler played under McCarthy when the latter manager the Chicago Cubs.

The Sox office reporting the change, said Baker had resigned. At his San Antonio, Tex., home Baker reportedly had been dismissed in a telephone conversation with Cronin.

George (Specs) Toporcer also said he wanted "to stay in baseball" after the Sox said that he had resigned, that his health was poor and that his farm director's job had been filled by Scout Johnny Murphy.

"My health is fine," Toporcer told friends after he had been replaced. Toporcer's resignation—dismissal followed by a few days the firing of Assistant General Manager Phil Troy, who had been with the Sox for 18 years.

His duties, without the title of assistant general manager, will be assumed by Richard O'Connell.

O'Connell has had three years experience as business manager of the Lynn Red Sox, a Boston farm in the Class B New England league. Earlier, Nemi Liebold had resigned as manager of the top Boston farm, the Louisville Colonels of the American Association, which finished a decided last in season competition.

Yawkey is determined to have a winner, but his farm system doesn't seem to be developing any crops.

So you can look for some trades and more resignations or dismissals.

Powerful Raiders Operate Quickly, Surely To Win Tilt

With a resounding boom — one that closed a 14-game Lisbon winning streak and toppled the Tri-County champions out of this year's league race — Louisville's Raiders thumped the Lisbon Blue Devils 27-7 Friday before a jam-packed crowd of more than 5,000 at Louisville.

Bud Bucher's charges were shattered quickly by Louisville's sheer power and actually never figured as a serious threat to the powerful Raiders. Virgil Stan and Danny Scaglione were the big guns for the winners as the Raider defense throttled Lisbon's biggest threat, Kenny Woods.

The Raiders snapped a Lisbon streak that began last season, when the Blue Devils went undefeated through nine regular games, winning the Tri-County title as well as Columbiana county honors.

The last team to defeat Lisbon was Salem, doing it at the close of the 1946 season by a 20-13 margin. Lisbon had won five straight this year. Louisville, of course, remains as one of the few undefeated elevens in northeastern Ohio.

The win was decisive, there can be no question of that. Louisville piled up 15 first downs to Lisbon's

seven, out-gained the Blue Devils 327 yards to 84 on rushing, out-passed them 53 to 17 yards and finished with a total net gain of 250 yards to only 161 for Lisbon.

The Raiders went to work methodically and quickly, scoring one TD in the first and two in the second to lead 20-0 by halftime. Lisbon's only tally came in the third frame and then Louisville scored again in the fourth to clinch it more securely.

Stan climaxed a 52-yard drive for the first score, going over the early minutes of the first quarter from the nine yard line. The extra was no good, Stan kicking.

The second tally covered another 32 yards early in the second, Scaglione scoring from the two of a back. Stan's boot was good and it was 13-0, Louisville.

The third score was racked up just seconds before the half ended, originating when Louisville took over on downs as Lisbon attempted a pass on fourth down on its own 43.

A pass interference foul gave Louisville the ball on the Lisbon 14 and Scaglione scored from the 13, and down and one to go to make it 19-0. Again Stan's boot was good and it was 20-0 as they rested.

Lisbon covered a Louisville fumble on the Raider 31 to set up the lone Blue Devil marker in the third. Woods and Frankie Pezanzo carrying to get the oval across six plays later. Woods scored from the 12 on a nice scamper. Desellien booted the seventh point.

Stan returned the kickoff to the Louisville 49, a brilliant run, and from there the Raiders started again. Milt Singhaus scored after alternating with Scaglione and Stan to move the ball to the Lisbon one-yard line. Ed Thomas booted the extra to make the final score 27-7.

With Woods almost completely bottled, Frank Pezanzo's game stood out for the Blue Devils. The losers played a hard, battling ball game but Raider power was superior all the way.

The scoring:
Lisbon 0 0 7 0 — 7
Louisville 6 14 0 7 — 27

Coaches Herb Eisele of John Carroll and Ray Watts of B-W said they both would welcome an invitation to play in the Bowl game.

Carroll and Baldwin-Wallace battled to a 19-19 tie at Berea Saturday night before a crowd of 9,000.

Consider Carroll, B-W for Bowl Game

CLEVELAND—John Carroll and Baldwin-Wallace are being considered for a rematch in the Great Lakes Bowl game here Dec. 4, it was learned today.

A spokesman for the Knights of Columbus, sponsors of the game, admitted that both schools were discussed at a meeting of game directors Tuesday night. He said, however, that nothing definite had been decided.

"We were only thinking out loud," he said. "The final selections, of course, must be delayed until we get a better line on the teams we are interested in booking. Carroll and Baldwin-Wallace were not the only teams discussed."

Coaches Herb Eisele of John Carroll and Ray Watts of B-W said they both would welcome an invitation to play in the Bowl game.

10 War Criminals

Hanged in Germany

MUNICH, Germany, Oct. 23.—Ten German war criminals were hanged yesterday at Landsberg prison, despite recent appeals of German Catholic and Protestant church leaders that further executions be halted.

Alex Plorkowski, 44, one-time commander of the Dachau concentration camp, and former S. S. Col. Hans Trummler, 48, who passed out cigars to his troops after they killed parachuted aviators, were the last known of the ten.

The men went to the gallows under a gray sky in the courtyard of the prison where Hitler wrote "Mein Kampf."

All were convicted by American courts of shooting unarmed American flyers or torturing and killing concentration camp inmates.

The plea for suspension of the executions of 130 war criminals, under death sentence was made by churchmen after 10 other Germans had been hanged at Landsberg last Friday for similar crimes.

In telegrams to U. S. Secretary of the Army Kenneth Royall, the church leaders asked that the hangings be halted until further investigation showed whether conviction of those involved had been properly obtained.

The telegrams were signed by Catholic Bishop Johannes Neuhäuser of Munich and Dr. Theophil Wurm, chairman of the Council of Evangelical Churches of Germany.

Plane For Governor

Is Given Approval

COLUMBUS, Oct. 23.—The Ohio Postwar Program commission today adopted a report by its aviation committee calling for the purchase of an airplane to be used by the governor.

This proposal was voted down by the legislature, but upon motion by Democratic State Senator Clinegan Jackson of Mahoning county, the commission adopted the report even after the question was raised.

Democratic Senator Margaret Mahoney of Cleveland asked the commission if it thought the report should be adopted in view of the legislature's opposition to an airplane for the governor.

Senator Jackson said: "I've always been in favor of the governor having an airplane. I think he should have one."

Senator Mahoney offered an alternative proposal that a plane be provided by the Ohio National Guard for use by the governor and other state executives. The commission did not, however, act on this suggestion.

Four Paint Companies

Draw Fines In Court

(By Associated Press)—Four major paint and varnish firms were fined a total of \$25,000 in Federal court today after pleading no contest charges of anti-trust law violations by conspiring to fix prices.

Five officials of the firms, who were fined a total of \$11,500 by Judge R. M. Gibson, who permitted defendants to charge of plea of innocent.

Fined \$5,000 each were the Pittsburgh Plate Glass Company, Fawcett & Reynolds Co. Inc. of New York City, and the Interchemical Company of New York City. The American-Market Co. of Chicago was fined \$10,000 on two individuals.

There are 1,331 theaters now showing films in this country. The theaters have a seating capacity of 11,780,075.

MORE ARE ELIGIBLE TO VOTE ON NOV. 2 THAN EVER BEFORE

(By United Press)

The number of persons eligible to vote in the November general election is the highest in history, a nationwide survey indicated today.

Political observers believed heavy registrations reported by cities and states across the nation might mean a record vote Nov. 2.

This would require that the vote surpass the 1940 vote record of 49,815,312. The 1944 vote dropped to 48,025,000 because of the number of persons serving in the armed forces.

The 1940 vote was about 38 per cent of the nation's estimated population of 131,700,000. To reach 50,000,000 and exceed the 1940 figure, the vote this year would have to be about 35 per cent of the estimated population of 145,000,000.

Poor New York Showing One notable exception was New York City, where registrations totaling 3,313,520 were described by officials as "the poorest in many years."

Minority leaders saw in New York's apparent voter apathy a chance of electing their candidates over Republicans and Democrats.

American Labor party supporters believed the light registration will give Rep. Vito Marcantonio an edge.

Surprisingly, a number of states reported that they do not compile registration totals and have no way of estimating how many people will vote. Other states required registration only under certain circumstances and their figures were not indicative.

But estimates of figures were available from 17 states, and of these New York was the only one reporting a decrease in registrations since the last presidential election in 1944.

Ohio had no 1944. Figures available, but estimated that registration this year would run about 150,000 above the 1946 total of 2,257,378. Many of the states reported that their registrations were the highest on record.

Most states, however, had no party breakdown on registration totals.

Cleveland reported 651,810 voters registered this year compared with 505,188. Election officials had anticipated a registration total of about 675,000, but registrations dropped off to a trickle on the final day, Oct. 4, because that was the day the Cleveland Indians won the American league playoff from the Boston Red Sox.

Members of the resolution committee met recently to draw up resolutions to be presented to the membership.

Some of the resolutions passed included opposition to fast time, a proposal to increase membership 20 per cent, recommendation that all roads in the county be named and marked, and a suggestion that the organization prepare and send out publicity giving the true facts on food costs and farm profits.

State and national resolutions written include recommendation for increased appropriation for the Ohio Division of Forestry, an immediate demand for State Aid for building schools, a strengthened long-term farm program and a request for congressional approval of a national fertilizer policy and program.

Entertainment and folk games will follow the business meeting of the annual session Nov. 9.

Ohio Air National Guard Nearing Full Manpower

COLUMBUS, Oct. 23—Ohio's Air National Guard may be fully manned by Jan. 1, Adj. Gen. C. W. Goble said the War department had authorized lifting the manpower ceiling to raise the unit to full strength by adding 689 enlisted men to the present personnel of 1,377.

Remember, You are the JUDGE When Voting for Treasurer!

I quote from State Examiner's Report, 1948, of the Treasurer's Office:

"The cost of personal service in this office was less in 1946 than in 1945, which is so unusual in these years of rising costs that it merits special mention. This saving resulted from abolishing the position of chief deputy."

My training in financial and tax matters has enabled me to personally conduct my office without appointing a chief deputy. A saving of \$14,000.00 a year for Columbiana County taxpayers.

Regardless of party affiliation, vote for

Greenhouse At Columbiana Sold

COLUMBIANA, Oct. 23—Mr. and Mrs. Evan Basinger have sold to a Youngstown wrecking company their greenhouse on N. Main st. and will go to California about Nov. 10. They have purchased a home in Monrovia, where their son and daughter are in the florist business.

Mr. and Mrs. Basinger have been in the Greenhouse business here 33 years.

Their son and daughter-in-law, Mr. and Mrs. Robert Basinger, and their daughter and son-in-law, Mr. and Mrs. Al Chismar, are proprietors of a floral store in Monrovia.

Attend O. E. S. Meeting Mrs. Louise Gormley of Columbiana, who served the past 12 months as district deputy grand matron of the 13th Ohio district, O. E. S., retired at the Grand chapter in Cleveland this week, having completed her term. She is succeeded by Mrs. Ruth Lautzenheiser of Canton.

Columbiana chapter was represented in addition to Mrs. Gormley at the grand chapter by Mr. and Mrs. Carl Keller, Mrs. Thelma McNab, Mrs. Vivian Burge, Mrs. Clara Drasdo, Mrs. Catherine Foertch, Mrs. Grace Beger, Mrs. Hazel Rearick, Mrs. Mae Smith, Mrs. Elsie Crosby and Mrs. Mildred Welsh.

The Columbiana Saddle & Bridle club is making plans for a permanent meeting place. If a date can be arranged for the second Monday of every month, it will probably be at the Valley Golf club.

The Senior and Junior High groups of the Presbyterian church will hold a young people's planning conference at the church Sunday evening, beginning with a covered dinner at 6.

Rev. Dr. W. B. Robinson, new superintendent of St. Paul's Methodist district, will make his first visit Sunday to the church here. He will preach at the morning service, after which he will conduct the first quarterly conference.

Facts About Maggie KALAMAZOO, Mich.—Alex Prauf, museum curator, wondered if his prize exhibit, Maggie the Mummy, was perhaps of royal Egyptian blood.

Prauf took Maggie to an X-ray clinic for glimpses beneath her ancient wrappings.

He failed to find jewels or other evidence of royalty. But cocoon told him solemnly that Maggie, at one time in her life, had a bad case of sinus trouble.

MERLE READE GREENAMYER

Merle Reade Greenamyer, 62, of 327 Somer st., Leetonia, died in the Massillon City hospital Friday following a three-month illness.

Born Aug. 19, 1886, in Leetonia, he was the son of the late John A. and Mary E. Greenamyer. He was a graduate of Leetonia High school and Ohio State university where he received a degree in electrical engineering.

He was a member of Leetonia lodge 401, F. & A. M., Salem chapter 94, B. A. M., Omega council 44, R. S. M., Salem Commandry 42, Knights Templar, and Syria shrine of Pittsburgh. A 32nd degree Mason, he was affiliated with several Scottish Rite bodies in Pittsburgh.

He was employed by the Pennsylvania railroad for the past 36 years in Pittsburgh, Philadelphia and New York. Since youth he had been a member of the First Presbyterian church of Leetonia.

He is survived by two sisters, Mrs. Clyde Shontz and Mrs. Eva Ashley, of Leetonia.

Funeral services will be held at 2 p. m. Monday at the home with Rev. W. J. Snyder, pastor of the First Presbyterian church, officiating. Burial will be at the Oakdale cemetery.

Friends may call at the Woods funeral home in Leetonia from 7 to 9 Sunday. Leetonia lodge will conduct services at the funeral home at 9:15 p. m. Sunday.

MRS. ANNA ELIZABETH SPEIDEL

HANOVERTON, Oct. 23 — Mrs. Anna Elizabeth Speidel, 87, life resident of this village, died at 8:20 p. m. Friday at the home of her daughter, Mrs. Clarence Thomas, near Kensington. She had resided there the past few years.

She was a member of Phillips Neri Catholic church, Dunganon, and also a member of its Altar and Rosary society.

Besides her daughter, she is survived by three grandchildren; five great-grandchildren and one sister, Mrs. James Myers of Hanoverton.

Funeral service will be held at 10 a. m. Monday in St. Phillips church in charge of the pastor, Rev. Fr. Paul Maroon. Burial will be in the church cemetery.

Friends may call at the Thomas home Sunday afternoon and evening.

JACOB E. RIEHL

Jacob E. Riehl, 79, retired Leetonia farmer, died at the home of his nephew, Elmer J. Riehl of Canfield, early this morning.

He was born on June 8, 1869 in Union county, Pa., the son of Jacob and Mary Stoltzfus Riehl. He was a member of the Leetonia Mennonite church.

Surviving are two brothers John S. of Leetonia and Levi S. of Gap, Pa.

Funeral service will be held at the Woods funeral home in Leetonia at 3:30 p. m. Monday. Burial will be in the Oakdale cemetery.

ments and the exercise of local taxing power.

A diligent search for more equitable ways of distributing state aid among local subdivisions.

Lausche, at Newark, in what his headquarters said was a major campaign speech, said:

"Pomp and ceremony in announcing the opening of hospitals which were already open were used to conceal the fact that no new facilities have been added by the present administration."

He said his regime had planned new receiving hospitals to classify and treat temporary mental cases, and other hospitals to care for more serious cases.

Then he added:

"There has not only been no advance under the present state administration, there have been steps backward because of the atmosphere of political intrigue and manipulation in which the administration exists and the plainly political purposes which dominate all of its acts."

He asserted every facility which the administration of Gov. Herbert has presented as its own creation "is in fact the work of my administration."
